

# Bohemian Grove And Moloch Worship

by David J. Stewart | August 2011

*Leviticus 18:21, "And thou shalt not let any of thy seed pass through the fire to Molech, neither shalt thou profane the name of thy God: I am the LORD."*

**Moloch** was the pagan god of the Ammonites and Phoenicians to whom parents sacrificed their children. They were barbarians. Molech (also Moloch) was the national deity of the heathen Ammonites, a fire god commonly worshiped throughout the ancient near East and North Africa, by Canaanites and Philistines, Arameans and Semitic peoples and later, Phoenicians. He was known by many names, all signifying the same false god.

There are many different names for Molech. These names all refer to the same false god, spelled in various different ways: Melech, Molech, Milcom, Melkom, Moloch, Molek, Malec, Malik, Melek, Malkum, Melqart, Melkart, Milk, Melqarth, Kronos, Cronus.

In Islam, Molech is called Malec or Malik (meaning king), believed to be the principle angel in charge of Djahannam, the Islamic version of hell.

Molech worship was prevalent among the Canaanites when Israel entered the land, evident from the fact that God warned Israel against Molech worship as an abomination the Israelites were forbidden to practice, Leviticus 18:21. An abomination is a sin coupled with disgust. Fire gods like Moloch and his fertility goddess consort, Ashtoreth, exercised captivating power over the primitive Canaanites. Their pagan worship often led to sacrificing their children upon the fiery alters of Moloch. They literally killed their children and burdened their bodies in worship of Moloch.

I believe this was a form of abortion back then, done under the good intention of worshipping Moloch. It is sad that our nation's leaders worship Moloch at Bohemian Grove, and they are the ones who legalized abortion in 1973 (Roe vs. Wade), and tens-of-millions of Americans are sacrificing their children on the alter of abortion. Is it mere coincidence that abortion was legalized in 1973, when Bohemian Grove has existed for over 100-years? Are Americans in reality offering up their children to Satan in a sacrifice? The FACT of the matter is that the leaders who legalized abortion do worship Moloch, and do offer burnt human sacrifices to him every year at Bohemian Grove. That is a fact, not mere speculation.

[Margaret Sanger](#) was the [queen of the eugenics](#) movement that fueled Hitler's religion of hate, prejudice and murder. That same insane eugenics attitude is prevalent in the world today, especially among the world elite (who plan to kill off 90% of the world's population).

## Who Was Ashtoreth?

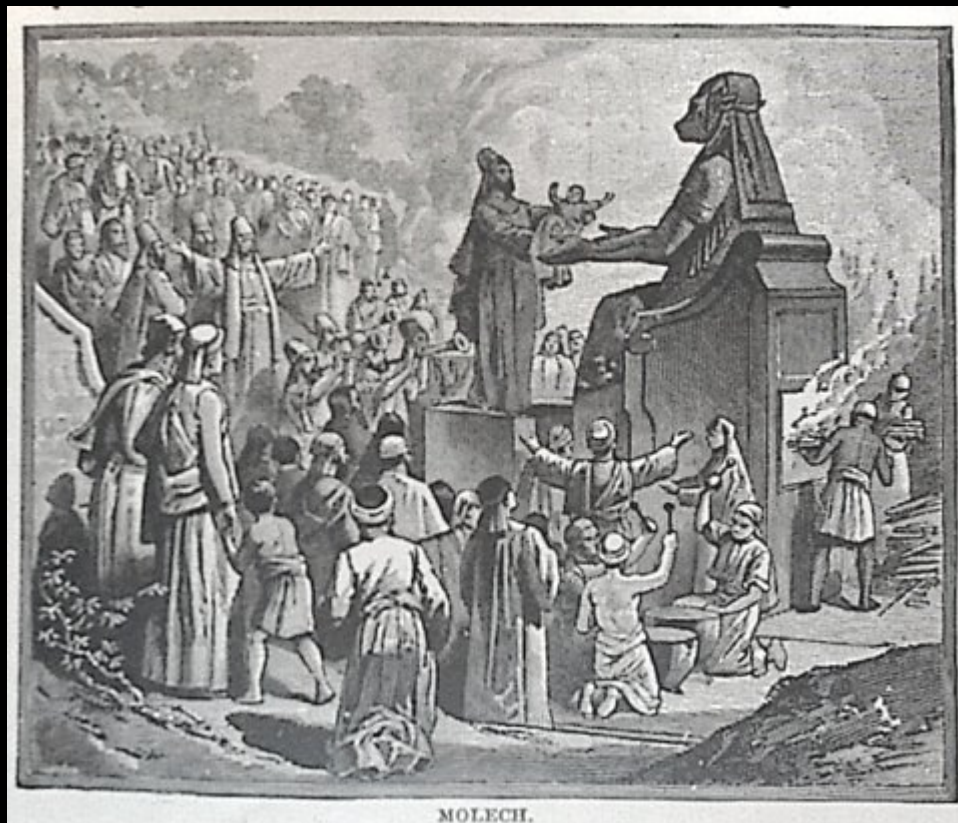

**Ashtoreth** was the fertility goddess consort of Molech. Ashtoreth is mentioned three times in the Scriptures (1st Kings 11:5, 11:33 and 2nd Kings 23:13). When Ashtoreth is mentioned in Scripture, she is linked to Molech (also called Milcom in the Bible).

Ashtaroth is mentioned 12 times in the Old Testament. The word is used as the name of a town in ancient Israel in Deuteronomy 1:4, Joshua 9:10, 12:4, 13:12, 13:31 and 1st Chronicles 6:71. That towns were named after the fertility goddess indicates that her worship was already widespread when the children of Israel entered the land of Palestine.

In Judges 2:13 & 10:6, 1 Samuel 7:3 & 4, 12:10 & 31:10, Ashtaroth refers to the ancient Canaanite fertility goddess, with a slightly different spelling than Ashtoreth.

Ashtoreth was the goddess of war and fertility, called Ishtar by Assyrians and Babylonians, called Astarte by Greeks and Romans and called Tanith by North Africans.

**Molech** represented the male principle of life and reproduction while **Ashtoreth** represented the female principle of fertility.

Molech, a fire-god of ancient Canaan.

**The sexual relationship between these false gods set the example for unbridled sensuality among their worshipers.**

Anal sex between male and male worshipers (homosexuals) and male and female worshipers was viewed as an offering to the goddess. This explains why members of Bohemian Grove purported engage in massive orgies of homosexual sex. The grove is known to bring in paid homosexual male prostitutes to service the moguls. One anonymous former male employee of Bohemian Grove said he was propositioned for sex by one of the moguls attending the club. This and other reports are highlighted in Alex Jones' documentary [ORDER OF DEATH](#) (2005).

## **Bohemian Grove Exposed!**

Nearly 2,000 carefully selected government officials, corporate tycoons and other luminaries—men with power to shape the future—assemble privately every July in a redwood forest about 65 miles north of San Francisco. The meeting includes a somber ritual that features the Druidic burning of an effigy on the alter, chants from a robed chorus, and wild drinking and promiscuity. Richard Nixon once famously described the gathering as “the most faggy G\_ddamned thing you could ever imagine.”

The bizarre Pagan ritual of the *Bohemian Grove*—the *Cremation of Care* ceremony—is practiced by its members (all men), including both Presidents Bush, Bill Clinton, Ronald Reagan, Alan Greenspan, Richard M. Nixon, Jimmy Carter, Walter Cronkite, Colin Powell, and Henry Kissinger to name but a few. The meeting is held every July. It is purported that Obama and McCain visited *Bohemian Grove* in July of 2008.

Homosexuality is a horrible, vile, abominable sin in the eyes of God (Romans 1:24-32). The Bible condemns homosexuality in all its form as disgusting and evil. It is against nature and a perverted lifestyle of degradation and debauchery. God created Adam and Eve, not Adam and Steve. Any moron knows that. Anyone who attempts to legitimize homosexuality is the enemy of God (James 4:4). Righteous king Asa drove the wicked sodomites out of the land as God wanted him to do (1st Kings 22:46).

Sodomites today actually attempt to diminish the awfulness of homosexuality on the basis that the Word of God does not make more mention of it as being evil; but may I remind you that the Bible is equally silent about other sins as well. The reason is because it is quite obvious that certain sins are so heinous and evil that nature and conscious itself teach us the truth. The Bible **DOES** condemn homosexuality in numerous places as a sin, such as in Genesis 19:1-11, where the city of Sodom has become so wicked that homosexuals were trying to rape Lot's guests and Lot. Clearly, homosexuality is synonymous with a decadent society. It is not a coincidence in America today that abortion, pornography, casino gambling, drunkenness, prostitution, Communism, Rock 'N' Roll, public nudity, fornication, mini-skirts, witchcraft, feminism, divorce, the lies of evolution, and homosexuality are all LEGAL. In a moral, God-fearing-society none of these things would be allowed.

America's economic demise is happening in direct relation to our moral plunge into unrestrained wickedness. When homosexuals are getting married and adopting children, you know that a nation's freedom and liberty are just about gone forever!!! If God spared not Sodom, nor the angels that sinned, nor the world before the flood; then **neither will He spare America!!!**

Some 1450 years after Leviticus, the Apostle Paul references pagan worship in Romans 1:26-27, when he blasts the same kind of fertility goddess worship in first century Rome.

The Molech idol was a large, hollow brass statue with the head of a bull and the bulging belly of a man. It was designed like an old fashioned pot-bellied stove, with the belly as the firebox.

A child sacrifice laid on the hands, would roll into the fire in the belly cavity. Scripture describes this practice as *"passing through the fire to Molech,"* Leviticus 18:21.

## Cleitarchus On Molech

Cleitarchus, an ancient historian, around 315 BC, gives this description of a fire god at Carthage. Kronos is the north African name for Molech.

"There stands in their midst a bronze statue of Kronos, its hands extended over a bronze brazier, the flames of which engulf the child. When the flames fall upon the body, the limbs contract and the open mouth seems almost to be laughing until the contracted body slips quietly into the brazier."

## Diodorus Siculus On Molech

Diodorus Siculus, 90-30 BC, gives this description of a Carthaginian fire god.

"There was in their city a bronze image of Cronus extending its hands, palms up and sloping toward the ground, so that each of the children when placed thereon rolled down and fell into a sort of gaping pit filled with fire."

## Plutarch On Molech

Plutarch, AD 46-127, senior priest of the oracle at Delphi, gives this description of the fire god.

"The whole area before the statue was filled with a loud noise of flutes and drums so that the cries of wailing [of the children being sacrificed] should not reach the ears of the people."

One can readily see why God and Moses called this pagan religious practice and the sexual rites associated with it, abomination. Moloch worship is essentially identical with worship of Chemosh of Moab, Cronos-Kronos of Carthage and Melkart-Melqart of Tyre. The general name, used throughout Palestine and in the Bible, for this type of fire god, was Baal. According to the *Jewish Encyclopedia*, the Hebrews first learned Baal worship from the agricultural Canaanites.

## Cremation of Care Ceremony...

"The ceremony... involves the burning of an effigy named Dull Care, who symbolizes the burdens and responsibilities these harried Bohemians now wish to shed temporarily. More than 100 Bohemians take part in the ceremony as priests, acolytes, torch bearers, brazier bearers, boatmen, and woodland voices, but despite many flowery speeches, they can't get the fire started. . . the perplexed Bohemians must turn to the mighty Owl for advice: "O thou, great symbol of all mortal wisdom, Owl of Bohemia, we do beseech thee, grant us thy counsel," intones the High Priest. An aura of light creates a glow around the Owl's head, and then the big bird reveals its wisdom. The High Priest must light the pyre with the flame from the Lamp of Fellowship, located conveniently enough on the "Altar of Bohemia" at the base of the Shrine . . ."

I am amazed and saddened how many of America's preachers are afraid of this stuff. In their arrogance, they criticize and condemn people like me, when they ought to be exposing every work of darkness as Ephesians 5:11 commands. Most pastors choose to avoid research the occult, having the mindset that we ought not learn about the workings of Satan. Meanwhile, the same woefully ignorant pastors are allied with the government through [501c3 state-licensing](#), and many pastors are even signing up now with the government's treasonous [Clergy Response Teams](#), and other pastors who have forsaken the inspiration of the Bible are [now praising the wicked](#). The very fact that most pastors are actually supporting criminals and tyranny in America is evidence enough that I am 100% correct in what I say. Christians, especially Christian leaders, ought to research and know what their nation's leaders are involved with, because it affects us in every way.

If we as born-again believers don't stand up against the wicked, then who will? There is a preponderance of verifiable, documented evidence to expose these criminals. President John F. Kennedy publicly [spoke out against Secret Socialites](#), and yet the average Christian leader who despises Kennedy's openly immoral lifestyle is woefully ignorant of the Depths of Satan which Kennedy warned us about. It is an alarming paradox in our nation! America's religious leaders are the dumbest and most gullible among us. A genuine man of God is a truth seeker!!!

## Conclusion of the Matter

Perhaps you're wondering what Molech worship and Bohemian Grove have to do with the 9/11 attacks? In a word, everything! Our nation's top leaders are Satan-worshippers,

sinister Freemasons, who are part of an oligarchy (a political system governed by a few people) of criminals who will kill anyone that gets in their way.

If you've never read up on the WACO massacre, [listen to what Congressman Ron Paul has to say](#) about what really happened there. According to Texe Marrs (*Conspiracy World*, page 127), the corrupt federal judge who presided over the case wore a 33rd degree Freemasonry ring to court each day, convicting the survivors of the Waco attack, sweeping the government's criminal atrocities under the table. All those innocent women and children were murdered for no reason. Lesbian Janet Reno was Secretary of State at the time. Only demon-possessed lunatics would have done what Janet Reno's military mob did to those poor people...

*"At night, the FBI and Delta Force personnel loudly played over a P.A. system horrible, pre-taped recordings of howling, crying and moaning sounds of baby humans and animals-rabbits, cats and dogs-being slaughtered and sacrificed. This was intended to arouse and please demon spirits of hell, while also terrifying the helpless Branch Davidian men, women and children inside."*

I do not support the religious beliefs of the Waco cult in any way. They were an offshoot of a Seventh Day Adventist church (a false religion). Yet, I support their right as Americans to believe freely as they so chose, without fear of persecution and being murdered for their beliefs. All of the talk about child sexual abuse was purportedly fabricated by the government to demonize the group. The Mormon church abuses children regularly and it is [Americas most guarded secret](#).

On April 19th, 1993 federal troops stormed the Branch Davidian building with 50 cal. machine guns and incinerary devices, burning 81 human beings (including 19 children) alive inside, and shooting others to death. It occurred on April 19th (the beginning of the witches' High Holy Days). Coincidence? Only a few escaped, just to be wrongfully convicted by a Masonic judge. Just like the ruthless tyrannies against the innocent folks at Ruby Ridge in Idaho and [The Roloff Homes](#) in Corpus Christi, Texas; tyranny has gotten out of hand in the federal government. Big government has always led to big trouble!!!

If the [Georgia Guidestones](#) evidence the global elite's plans to kill off 90% of the population by 2050, do you think they'll hesitate killing a few thousand, or even a few million? No, not at all. They've murdered over 100,000,000 people over the past century. Truth is stranger than fiction. We are living in the End Times of civilization.

Both Communism and Nazism are vehicles created by the Banksters to achieve World Government. Communism's method was to conquer by stealth, incrementally. This is what is happening in the world today. Nazism's method was to conquer by force and domination, through war. This method failed in World War 2, although Hitler and his American corporate financier's tried. Most students never learn that it was [Wall Street in America that financed Hitler's war machine](#) and fueled the holocaust. IBM manufactured the stamping equipment and IG Farben (a conglomerate of about 200 companies,

including many U.S. companies) manufactured the Zyklon-B gas to kill the victims of the holocaust.

The 911 attacks were an incredibly, sophisticated, orchestrated, and engineered plan to have been mere renegades who stole some jets. The attacks were executed with exactness. Such a strategic elaborate mission of this nature could have never been realized without having access to U.S. defense security protocol and help by people in the U.S. intelligence community. It should not come as a surprise that war games were used as a cover for the real attacks, but the games were never announced.

Bush administration created false intelligence reports showing Saddam Hussein was in possession of WMD's and, committed every imaginable crime to justify invading Iraq. If this wasn't bad enough, these same criminals are now writing books trying to cover each other's ass. With all these books out, it resembles a circular firing squad, where no one takes responsibility.

In my opinion, Bush, Rumsfeld, Cheney, Rice, Gonzalez, should be tried by International Criminal Court for War Crimes, Treason, Genocide, Crimes against Humanity and Terrorism. 9/11 was a fucking crime, Iraq war was a crime and like all criminals that commit crimes, they should pay consequences but, because the United States has the most corrupt legal system of any civilized nation Bush, Cheney, Rice Gonzalez have got away with murder!

I plead with you whoever you may be to research the preponderance of evidence indicting the Bush Administration and the Council On Foreign Relations in the 9/11 attacks. They didn't just know, they made it happen!!! They are expert liars. The mainstream newsmedia sport themselves in hiring paid professional liars. America is a land of liars! Judges, lawyers, politicians, corporate executives, Federal Reserve bankers, mainstream news media... all liars!!!
